Commissioner for Patents

Dear Sir:

David H. Voorhees and James J. Merek seek to withdraw as the attorneys of record of the subject patent application pursuant to 37 CFR § 10.66 (b). Specifically, David H. Voorhees and James J. Merek learned today of differing interests of the co-inventors of the subject patent application mandating withdrawal.

An Office Action was issued on November 15, 2005. A response can be filed without a showing of good cause up to and including May 15, 2006 provided that a Petition for Extension of Time is timely filed and the corresponding fee is timely paid. Pursuant to MPEP § 402.06, it is believed that a Petition for Extension of Time and the corresponding fee are not required for the withdraw of the present attorneys of record. However, should that determination be incorrect, the attorneys of record hereby request an extension of time up to and including the date necessary to

permit withdraw and authorize the Patent Office Officials to charge deposit account No. 50-0562 to satisfy the government fee for the requested extension of time.

**CHANGE OF CORRESPONDENCE ADDRESS**

The Patent Office Officials are hereby requested to change the correspondence address to that of each of the co-inventors set forth in the combined Declaration and Power of Attorney and provided below:
